HOW TO FILM THIS CLASS

Film sideways in good light. Begin with your placard OR clearly say your name, filming date, horse's name and class. Keep the entire horse and rider or handler visible in one unedited take. Leave the audio on.

Film from outside the working area with all markers in view. Keep the rider and horse's feet visible through the full printed sequence. Walk and trot only.

Follow your published class requirements. Full guide: equipartner.events/how-to-film
